

simple & stylish **FOLDING CABINET**

Designed for impact, crafted for reliability.

KEY FUNCTIONS

MAGNETIC DOUBLE DOORS

Designed with strong magnets and durable materials, these doors provide an effortless seal that keeps your home clean, fresh, and pest-free.

SIDE BY SIDE INTERLOCK

Our Side-by-Side Interlocks are designed for seamless connection, allowing you to easily join multiple units at the sides for a sleek, cohesive storage solution.

SAFE WALL MOUNTING

Provides sturdy support while
maximizing floor space and
keeping your storage both stylish
and safely anchored.

SMOOTH LOCKING SYSTEM

Designed for ultimate convenience, it glides effortlessly with every use, providing a seamless, fluid motion that locks securely without any resistance.

MIX & MATCH

Our cabinets can be easily customized with panels of different sides, allowing you to create a unique, versatile design that suits your space and style preferences.

SAFE LOCK CLIP

The Safety Lock ensures secure cabinet closures, keeping your belongings safe from accidental openings.

YOUR CUSTOM STORAGE SOLUTION

Easily create and customize multiple layers for efficient, adaptable storage to fit your space perfectly.

Move easily in any direction while preventing dust buildup. These wheels fit any surface without gaps, ensuring smooth movement and a clean base.

STURDY TOP PLATFORM

Strong enough to hold plants and other items,
while being safe and durable for pets!

SAFE WALL MOUNTING

Provides sturdy support while maximizing floor space and keeping your storage both stylish and safely anchored.

SPACE-SAVING SOLUTIONS

Foldable, space-saving designs optimize small areas by collapsing when not in use, enhancing organization and versatility.

Fold size : 55cm (w) x 9 cm (h) x 35cm (d)

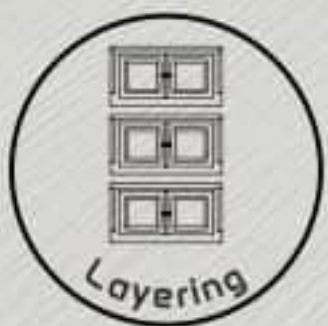

1. BEFORE FOLDING

2. FOLDING

3. AFTER FOLDING

FLAT-FOLDING STORAGE SOLUTION

Designed for convenience, this storage solution folds completely flat, making it easy to store away in tight spaces. Perfect for maximizing space, it offers quick setup and effortless storage when not in use.
